OTHER INFORMATION

What about Consumer Device failures?

We may support features on consumer electronic devices ("Consumer Devices"). For example, the Check In and Emergency Help features on Google Assistant. You accept that features on Consumer Devices (like Google Home) are for your convenience but are not standards based alarm devices. You acknowledge that we recommend only using these Consumer Devices where you can fail over to our Equipment. Alarm triggering on Consumer Devices are supported on a limited and best-efforts basis.

What about network connection failures?

We cannot and do not guarantee network coverage, availability, reliability or service delivery. We accept no liability for any loss, injury or death resulting from the use of, or failure of, that connection in an emergency, irrespective of whether that connection is a service provided by us or a third party.

How do I contact customer support?

Email us at support@eevi.life Or call technical support on 1300 802 738. If you are not happy with us, give us a call first, we would love to resolve it if we can. But if you wish to make a formal complaint please contact Customer Relations, a specialist complaint resolution team, by emailing complaints@eevi.life.
